

14 Valmar Street Upper Mount Gravatt QLD

A home that meets your every requirement, the home that you've been dreaming of for so long?.

The choice is entirely yours, select the architect/building designer and builder of your own choosing and create a home that meets all your objectives and desires, or simply sit back and simply watch its value continue to appreciate.

Don't let anyone tell you that vacant land isn't a great investment, particularly in locations like this one where home sites are literally 'as rare as hens' teeth'!

This exceptional elevated home site enjoys an extraordinary 'look at me' street frontage and it provides your designer with an opportunity to create a new home ?a brand-new quality home with WoW! street appeal.
